## SUNWAY IS ONE OF THE TOP 150 UNIVERSITIES IN THE WORLD UNDER 50 YEARS OLD

As one of Malaysia's leading and internationally recognised private universities, Sunway University is positioned amongst top universities in the world by QS World University Rankings. Sunway University is ranked #1 private university in ASEAN region by AppliedHE ASEAN Private University Ranking 2025 and recognised as the #1 Malaysia's highest-ranked private non-government linked university in the Times Higher Education World University Rankings 2026. The University is also #410 in the QS World University Rankings 2026.

Sunway University has been awarded #1 in Graduate Employability among all universities in Malaysia, for the fourth consecutive year, by Talentbank Group through the National Graduate Employability Index.

The University has achieved a significant milestone by making its debut in the Academic Ranking of World Universities (ARWU) for 2024. This achievement places Sunway University among the top five universities in Malaysia, alongside the top four research-intensive public universities, and establishes it as the only private higher education institution in the country to be included in this prestigious global ranking.

Collaborating with world class partners - Lancaster University, Arizona State University and Le Cordon Bleu International, Sunway University offers premier education with international repute. The University also partners University of Oxford, University of Cambridge, Harvard University, Massachusetts Institute of Technology and University of California, Berkeley.

# INTRODUCTION

Since 1987, the School of American Education (SAE) has helped to prepare students to transfer successfully to top-tier universities across the United States through the American Degree Transfer Program (ADTP). More than 75% of our students successfully transfer to Tier 1 U.S. universities every year with close to half of them receiving scholarships from their respective schools. SAE provides a holistic education through flexibility and an all-round experience with over 1000 majors for ADTP students to venture into.

Sunway University has joined forces with Arizona State University (ASU), America's most innovative university, to provide our students with access to top-notch U.S. degree programs. Students can experience enhanced American learning experiences right here in Malaysia through ASU content and curriculum, master classes, certificates, global signature courses and study abroad experiences.

SCHOOL OF AMERICAN EDUCATION

Upon fulfilling the requirements of 2 programs, graduates are awarded 2 certificates; one from Sunway University and another from Arizona State University.

# BACHELOR OF ARTS (HONORS) IN GLOBAL MANAGEMENT

## PROGRAM INTRODUCTION

The **Bachelor of Arts (Honors) in Global Management** is a future-focused degree designed to equip students with the skills, knowledge, and mindset needed to succeed in an increasingly interconnected and dynamic global business environment. This interdisciplinary programme blends core business principles with global strategy, emerging technologies, cross-cultural communication, and leadership development.

Through a curriculum that balances theory with practical application, students will explore the complexities of managing across borders, working with diverse teams, and responding to global economic trends. Emphasis is placed on strategic thinking, data literacy, ethical decision-making, and the ability to lead in multicultural and digitally driven settings. Students will also enhance their communication, analytical, and problem-solving skills—crucial attributes for success in any global career.

This program is also based on the **Bachelor of Global Management program at the Thunderbird School of Global Management, Arizona State University, U.S.**

SCHOOL OF AMERICAN EDUCATION

Students will have the option to top up credits to obtain an Arizona State University certificate.

# ADTP STUDY PLAN

Studying in the ADTP consists of subjects from the following categories:

<b>CORE SUBJECTS</b>	+	<b>GENERAL EDUCATION SUBJECTS</b>	+	<b>MOHE SUBJECTS</b>
----------------------	---	-----------------------------------	---	----------------------

These are the subjects required for entry into a particular major. Students need to complete these subjects before taking their major subjects. Subjects in this area may range between 20 and 30 credits.

The subjects in this area are compulsory for all students. These subjects will give students an overview of other disciplines and help in their future career advancement. Subjects in this area may range between 25 and 35 credits.

Subjects in this area are required by the Ministry of Higher Education. The subjects will help students appreciate the Malaysian culture better. Students are encouraged to include these subjects for their transfer. Some U.S. universities accept subjects in this area to fulfill a general education requirement or an elective requirement.

Subjects in this area are:

**Local Students**

- Appreciation of Ethics and Civilization
- Philosophy and Current Issues
- Community Service for Planetary Health

**International Students**

- Appreciation of Ethics and Civilization
- Malay Language for Communication 2
- Community Service for Planetary Health

Students must obtain the minimum grade of "2.0" to meet the eligibility of transfer requirements. More competitive universities have higher admission requirements and academic standards. It is very important for students to refer to the specific university's admission criteria, transfer requirements and application processes.

**GENERAL EDUCATION REQUIREMENTS**
